

THE ADVENT SCHOOL
CIRCULAR – DENTAL CAMP

2nd Nov. 2023

Dear Parents,
Greetings!

“Every tooth in a man’s head is more valuable than a diamond”

Healthy teeth are essential to keep us free from numerous diseases and thus maintain good health. In our endeavor to bring about an understanding about the importance of Dental Health and Hygiene, a ‘Free Dental Check Up Camp’ will be organized during school timings for all students of Classes 1 to 7 tomorrow (**Friday, 3rd November 2023**). Kindly ensure attendance of your ward to avail the benefit.

Regards,
Principal
